

15 QUESTIONS TO ASK YOUR BUSINESS LAWYER

- Have you handled matters for businesses like mine?
- If I do hire you, what is the likely outcome of my situation?
- What will happen if I don't hire an attorney?
- What factors could change the outcome?
- How much time will it take to get the result you describe?
- What factors could change the cost?
- How much do you think it will cost to get that result?
- Will you be the attorney handling my case?
- Do you require a retainer before getting started? How much?
- Do you bill hourly or fixed fee?
- How soon can you get started?
- How do you like to communicate (email, phone, text)?
- What else would you advise me to consider based on what kind of business I am in?
- How will I know when you're finished with my matter?
- How do you want to be paid (check, credit card, auto-draft)?

We love answering questions like these, so if you're not happy with the answers you're getting, feel free to **ask us**.
